

A nighttime cityscape featuring a tall, illuminated skyscraper on the left and a large Ferris wheel in the foreground on the right. The Ferris wheel is lit with blue and white lights, and its structure is visible against the dark sky. The skyscraper is also illuminated with blue and white lights. The overall scene is a vibrant urban night scene.

GEST Asia 2018

Global Embolization Symposium and Technologies

December 7-8 | The Hong Kong Science Park

*Don't miss the early registration by **September 15**.
Abstract submission will be started soon.*
